\*This amount may vary according to market prices & does not include tax

Total Cost of the Program:

Total Cost Prior To Tax: \$ 4,585.00

## **Payment Flexibility:**

If the prospective student signs up early and wishes to prepay a portion of the total similar to a lay-a-way plan, it lowers the balance figured in the contract and will lower the monthly payment amount.

We calculate any books that the student may wish to purchase, and any additional supplies separate from the tuition. The student may choose one (1) of four (4) payment options for student tuition and may break down books/supplies and fees into a separate monthly payment amount for up to three (3) months.

The student will need to fill out a credit application prior to acceptance into the program. If the prospective student is not credit worthy or if it is doubtful that the prospective student would be able to pay on their own, the school will accept a credit worthy co-signer for the payment plan.

The student may wish to seek outside financing through a private lender, \*MyCAA , or the \*V.A. if eligible.

\*Students that are attending under the GI bill or MyCAA should understand that payment obligation is still theirs in the event that the VA or MyCAA does not pay their entire portion of the cost the program.

Monthly Payments made to the school may be made with Cash, Check, Money Order, or Credit/Debit Card.

\*All internship fees received from the general public are the property of A New Beginning School of Massage Killeen.

## **Financing**

### **Tuition: Self Financed**

Option 1 - Full Payment Prior to Start of School \$4,200 (includes, tuition, books, fees, & supplies; does not include tax where applicable)
